Seller shall in no event be responsible for any incidental or consequential damage, whether foreseeable or not, caused by defects in the Goods sold hereunder, whether before or after repair or replacement. Claims under this warranty must be made in writing within 30 days after the defect is discovered, which period of time is expressly agreed to be reasonable and all such claims are subject to substantiation by Seller's inspection department. Seller may require the return of alleged defective goods, transportation prepaid, to establish a claim under this warranty. Should payment not be received within the agreed terms the Seller has the right to cancel the contract, or suspend any further services or deliveries to the Buyer, and to appropriate any payment made by the Buyer to such of the Goods as the Seller deems fit.

3.3 Unless otherwise agreed in writing, given that credit has been granted, payment in total (inc. VAT) shall become due 30 days from date of invoice.

Seller reserves the right to rectify, either by repair or replacement, any defects within a reasonable time after receipt of written notification from Buyer of such defects.
